CURRICULUM GOALS

PHONICS

Students will learn all letters of the alphabet by sight and sound. They will learn how to read and mark vowels in one and two vowel words as well as read a few sight words. They will also learn how to read simple sentences, and short stories. In addition, they will learn to recognize and read 50 special phonetic sounds.

MATH

Students will learn how to count to 100 by 1's, 2's, 5's, and 10's. They will learn time to the hour and half hour. Students will also learn numbers 0-100 by sight. They will be introduced to patterns, fractions, measurements, 3D shapes, ordinal numbers, as well as positional and comparison numbers. In addition, students will learn how to count coins, read a calendar, and addition combinations for the one through ten family.

BIBLE

We use the Abeka Bible Curriculum for Kindergartens.

* Penmanship is also taught
